Mr. Victor R. Biggs  
Executive Director  
Disabled Veterans' LIFE Memorial Foundation  
6290 Linton Boulevard, Suite 104  
Delray Beach, FL 33484

Dear Mr. Biggs,

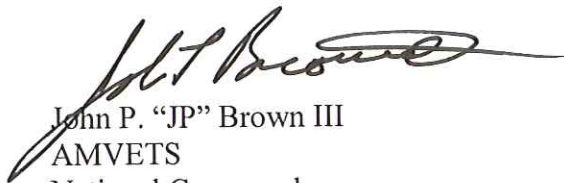

On behalf of AMVETS, I want to extend to your foundation our full support in your efforts to establish the American Veterans Disabled for Life Memorial in Washington, D.C.

For generations, brave Americans have answered the call to fight for this nation, and many have paid a hefty price. While AMVETS continues to advocate for our disabled veterans on Capitol Hill, we proudly support this brilliant memorial, which will stand a few short blocks away as a tribute to these brave men and women.

Through the work of your foundation, America's disabled veterans will now have a permanent fixture in the heart of our Nation's Capitol to honor their service and their continued sacrifices. Visitors to the American Veterans Disabled for Life Memorial will bear witness to the solidarity a grateful nation shows with those who have fought to keep her free.

The memorial will ensure that our nation honors all our disabled veterans; veterans who have given so much to preserve our way of life.

Veterans serving veterans and the military,

John P. "JP" Brown III  
AMVETS  
National Commander
