The main image on the coin's obverse side shows the legs and boots of three veterans, including an amputee. The design represents the service and sacrifice of the nation's disabled veterans across all service branches and times of conflict. The inscription in the upper rim, *THEY STOOD UP FOR US*, honors the brave service men and women who fight on behalf of the United States. Additional inscriptions include: *IN GOD WE TRUST, LIBERTY AND 2010*.

The reverse side features a forget-me-not flower, to commemorate the country's fallen heroes. The flower is tucked into a wreath that cradles a cluster of oak branches – a symbol of strength and power.
